

It's good to know your business partners well!

CSC JÄKLECHEMIE GmbH & Co. KG

Our company, established in 1886, is one of the leading medium sized chemical distributors in Germany.

Apart from industrial chemicals, we focus on service intensive specialties which require explanation, such as paint-, lacquer- and adhesive-raw materials, special products for textile coatings, surface cleaning, water treatment and environmental care as well as for food and cosmetics industry. Besides qualified personnel, we have high safety and quality standards, as well as an excellent network of service and logistics in the German-speaking area, Eastern Europe and beyond.
