## Möller Chemie

**With over 90 years of experience** in distributing chemicals, Moeller Chemie is a dependable partner in procurement logistics. Run as a medium-sized family business, the company facilitates a high degree of flexibility, both for German and for international clients, thanks to short routes and rapid decision-making.

REACH and specification-compliant products are procured directly from the producers, worldwide. Faultless product quality is guaranteed, thanks to our certified quality management and extensive receipt and despatch control procedures.

We have solid and fluid products readily available in all standard container sizes at our **modern, 3,000 t capacity tank and cargo store**.

Moeller Chemie's vehicle fleet is fully equipped for every transport requirement in the chemical trade, ensuring short notice and on time deliveries. Special customer requirements, such as deliveries outside normal business hours, can be arranged by individual agreement.

Export – by sea- and by air-freight – are expertly organised and processed by Moeller Chemie.
