Overlack AG

The Overlack Group established in 1922 as the Gebr. Overlack Chemische Fabrik GmbH in Mönchengladbach, is a very capable trading group in the fields of basic and fine chemicals. Today the company is made up of organisations which stretch from the Netherlands through West, North and East Germany to Poland and Czech Republic. Under the banner „from West to East“ the company provides an optimum product exchange through the use of specific knowledge concerning the regional acquisition and sales markets. Continued favourable market conditions are guaranteed by the unconditional maintenance of high quality standards. **Our suppliers profit – to the benefit of our approximately 36,000 customers.**

Branch specific, well-trained consultants in the field of water chemistry, colour and paint chemistry; cleaning products industry, environmental and storage technology; metal surface treatment; the food stuff industry as well as a service and customer orientated sales strategy and the necessary laboratory capacities are all strong points which our company owes to its good reputation.
