

It's good to know your business partners well!

## STAUB & CO.

Since 1865 Staub & Co has been doing business in Southern Germany and has evolved to become a leading chemical trading house with locations in Nuremberg and Munich. Besides a wide range of commodity products we are constantly developing, above all in the field of specialities and represent well-known producers.

On 1 July 2009 we admitted Stockmeier Chemie as a 50 % partner and consequentially have access to Stockmeier Group's complete product range.

Given below is an overview showing Staub's major fields of activity:

- Trading and packing of acids, lyes, solvents, solids
- Blendings, ready-made cleaners, customised filling and production
- Products for the areas of food, feed, pharma and cosmetics
- Wastewater chemicals, refrigerant and heat carrier products, swimming pool chemicals
- Canalisation flooding systems
- Ammonia gas filling
- Automotive AdBlue® nitric oxide reducing agents for trucks
